

# Harry Gosling Weekly News

## Thursday 28th March 2024

A wonderful end to the Spring Term this week at Harry Gosling. Reception and Nursery both went to the local Watney Market to look around their local area. Nursery had the best time, with the help of so many amazing parent volunteers, and came back to school with lots of fruit. The children in nursery made a shopping list before they went to the market in preparation. They then enjoyed a delicious fruit salad back at school! The children all performed to each other on Wednesday as part of our school international festival and displayed their work proudly for other classes to see. It was a real joy to see all the hard work children have been completing when learning about different countries in the world. I would like to thank all the parents who continue to support us a school, your support is very much valued and appreciated. Wishing you all a joyous and long break with your families and loved ones.

### School drop off and collection

A number of our parents continue to drive down Henriques Street during drop off and collection times. I've seen a number of parents pull quite dangerously onto kerbs. It is our collective responsibility to ensure the safety of all children in our school, and parents you have the duty to ensure we work together to keep the street a safe place!
